Lloyd Preparatory School (Lloyd Prep) is a diverse community of students with individual interests, talents, and backgrounds. No qualified student should allow financial circumstances to deter them from applying. The school offers need-based financial assistance for qualified families - no merit-based scholarships. However, Lloyd Prep believes the primary responsibility for tuition rests with the family, and each family must look to its resources before requesting assistance. Families applying must complete an admissions application.

To receive financial assistance, candidates must:

- Have a solid academic record with at least a 3.0 GPA.
- Have strong character and integrity.
- Current families must be in good financial standings with Lloyd Preparatory School.
- Be involved in activities outside the school.

*Funds for financial assistance are limited. Please contact the school for more information.*

*Optional trips may require additional fees. In addition, school meals are not provided. Parents must be sure to provide food that is ready to eat when children open their lunch boxes. Lloyd Prep does not supply cutlery or condiments for lunch.*
